

CURRICULUM VITAE

Mary Doutsis, MSc Student

Personal Information

Date of Birth	11 th October 1985
Place of Birth	Veria Imathias, Greece
Nationality	Greek
Marital Status	Single

Contact Information

Address	Stavrou Balia 2, Naousa (59200), Greece
Telephone number	+306977493248
E-mail	m_doutsis@yahoo.gr

Education

2014 – present	MSc Student Division of Chemical Technology, Department of Chemistry, Aristotle University of Thessaloniki
2014	Diploma in Chemistry Department of Chemistry, Aristotle University of Thessaloniki (General Degree: 7,30/10)
2003	High School Graduation 1st High School of Naousa Imathias (General Degree: 19/20)

Theses

2013 - Diploma Thesis	“Theoretical study in DFT level of the energy profile of the reaction of N-acetyl-1,2-bis-trifluoromethanesulfonamide with R-1- and S-1-phenylethylamine to creation of a peptide bond, in an acetone solution” Division of Applied Quantum Chemistry, Department of Chemistry, Aristotle University of Thessaloniki, <u>Supervisor:</u> Prof. Bakalbasis Evaggelos (Degree: 10/10)
-----------------------	---

Scholarships

2003	Rewarding scholarship of Aristotle University of Thessaloniki for the academic year 2003-2004
------	---

Seminars

2015	“Flows, Stability and Marangoni effects” CoWet Summer Training School, Madrid
------	---

Languages

Greek	(Native Speaker)
English	Certificate of Proficiency University of Michigan
German	Zertificat Neugnis Goethe Institut

Computer Skills

Microsoft Office

SuperPro Designer v9.0
