

Curriculum vitae

Name: Lior

Surname: Kabelis

Nationality :Greek

Email: liorkab1998@hotmail.com , liorkamp@chem.auth.gr

Date of birth:12/02/1998

Education

9/2017-Today Undergraduate studies, Department of Chemistry, Aristotle University of Thessaloniki

Thesis: <<Boiling of surfactant solutions>>

2016 Graduate from high school(Grade: 19,8/20), Music school of Larissa, Greece

Foreign languages

Proficiency in English(Michigan)

Italian:C2

Digital skills

Microsoft Word, PowerPoint, Excel, Mathematica,

Conference and Seminar Attendance

11-13 October 2018: 16th Panhellenic Conference of Clinical Chemistry

6 May 2019: Lecture with the title: Wine from the Chemistry to the Art(Οίνος: Από την Χημεία έως την Τέχνη)

16 May 2019: Lecture with title: Beer: Cool, Taste and Chemistry (Ζύθος: Δροσιά, Γεύση και Χημεία)

July 2019: Lecture about Rheology in Aristotle University of Thessaloniki

21-23 November 2019: 17th Panhellenic Conference of Clinical Chemistry

22-23 November 2019: 3rd Conference of Chemistry for Undergraduate and Graduate Students of Chemistry of AUTH

September(15,18,22,25) and October(6,9,13,16) 2020: Plant Derived Natural Products as Pharmacological and Nutraceutical Tools organized by the Phytochemical Society of Europe

15-17 October 2020: 18th Panhellenic Conference of Clinical Chemistry

20-21 March 2021: 4th Conference of Chemistry for Undergraduate and Graduate Students of Chemistry of AUTH

25-27 March 2021: Digital Colloquium of Chemistry Students in Portugal organized by the Portuguese Association of Students of Chemistry

18-20 April 2021: 20th International Congress of the International Society of Ethnopharmacology

23 April 2021: Lecture about food waste: their management, their use for production of energy/food/new products and their acceptance from the society
